Commissioner for Patents

The petition filed under 37 CFR 1.181 on May 23, 2006 asking for Supervisory Review of the examiner's Final rejection mailed March 23, 2006, has been delegated by the Group Director to the examiner of record in this application to be treated as a request for reconsideration. The reason for this delegation is that the points raised in the petition are agreed with and the relief requested will be granted in full.

Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.
